

The Hannas Miracles Newsletter January 2018

We hope you and yours had a blessed New Years. We give thanks for a fruitful month. Your giving and prayers allowed us to reach Arabs and Muslims and other nations all over the world. This month we had the opportunity to travel to Israel and preach the gospel.

Satellite TV and Social Media

- For three days, January 3-7, I was live all over the world from Bethlehem, where Jesus was born, preaching during the Eastern Christmas season and the New Year.
- I did 10 social media live sessions.
- A lady who was diagnosed with aggressive cancer in her uterus reported that she was healed after our prayer over live media. She is from Canada. She witnessed to all the doctors in the hospital about Jesus who healed her.

Miracles in the Holy Land

- Thousands gave their lives to Jesus, in the conference and viewers from all over the world.
- Ghadir from Bethlehem was married for 6 years but could have no children. We prayed on air for her and her husband. She received triplets.
- Healing from diabetes
- Healing from leukemia blood cancer for a three-year-old boy. The Jewish doctors reported it as a miracle.

Reports from the Holy Land

- We prayed from Mount Gerizim, the mountain from which Moses prayed in Deut. 26, that blessings would come to all our partners and ministries.

- We prayed at Jacob's well in Nablus City for our partners. This is the place where Jesus met the Samaritan woman. We drank the best water from the well.
- We did several home visits and revivals in Galilee and other cities in the Holy Land.
